

## Triumphant Cigar Selling

The success given to the National Cigar Stands in this and more than 2000 other towns was only to be expected. Here are cigars of *proved* merit and *proved* condition, selling for

### A THIRD TO A HALF LESS MONEY

than was ever asked for equal quality in the history of the cigar business. Success was certain.

It isn't a "bargain occasion." It isn't a fad. It isn't a spasmodic effort. It's the natural result of a common-sense, fundamental merchandising principle.

Two thousand stores buy as one. Their cigars are produced in million lots and each store gets its share *straight from the producer*. No intermediate profits, no jobber's "take-off," no rents, no selling expenses to speak of! And *all* the saving given to the smoker.

We have already told you how this plan gives 3 for 25c. cigars for 5c. Now take

## LA IDALIA

Panetelas—10c.

La Idalia is one of the best clear Havana cigars produced in the United States. Nothing is used in it but selected Cuban-grown leaf, fully ripened; sweet, rich and aromatic. There are 12 sizes, each selling at the price usually asked for the next larger size.

Besides that, each size weighs *two pounds to the thousand* more than the usual weight of the same shape. La Idalia is only one of the many exclusive brands produced and sold exclusively by the National Cigar Stands Co., each showing the same tremendous saving in price for quality.

## DOWIE'S FATHER TELLS OF BIRTH

Will Refute the Statement of Seer of Zion City.

Elijah H. Claimed to Be of Parentage Like Mohammed—Parent Objects.

### ELDER HAS FLOWING BEARD

Chicago, June 22.—"Judge" John Murray Dowie, country squire of Essex, Iowa, will meet "Dr." John Alexander Dowie, deposed first apostle of the Christian Catholic church, in Judge Leadis' court this morning. Plain, unaffected and seemingly guileless, the elder Dowie came from his Iowa home last night to prove that he is the father of the man who claims to be a second Elijah. In appearance, mannerisms and voice he is the image of the self-styled prophet who repudiates him and voluntarily throws a bar sinister over his name to claim the blood of British royalty in his veins.

"I'm a wee bit better looking; just a wee bit better," cheerfully declared "Judge" Dowie when reminded of the resemblance to his son.

The Voliva faction which is defending Dr. Dowie's suit for possession of \$20,000,000 of property at Zion City brought the aged man to Chicago to attack the testimony given by the ex-leader. He arrived over the Burlington road at 8:45 p. m. Overseer Piper met him at the depot and escorted him to the Great Northern hotel. A few days ago Dr. Dowie on the witness stand declared that he was of illegitimate parentage. "Judge" Dowie will refute this declaration, not today, but before the hearing of the case closes. Though he would not forecast the nature of his testimony, he said that he brought evidences of Dowie's birth and boyhood.

### Long Tennessee Fight.

For twenty years W. L. Rawls, of Bells, Tenn., fought nasal catarrh. He writes: "The swelling and soreness inside my nose was fearful, till I began applying Bucklen's Arnica Salve to the sore surface this caused the soreness and swelling to disappear, never to return." Best salve in existence. 25c McPherson's Drug Store.

### Assessment Reduced.

The assessment of one place of property at Eleventh and Clay streets to Col. John Sinnott at \$1,050 was reduced to \$840. The assessment was erroneous.

### New Cure for Epilepsy.

J. B. Waterman, of Watertown, O., Rural free delivery, writes: "My daughter, afflicted for years with epilepsy, was cured by Dr. King's New Life Pills. She has not had an attack for over two years." Best body cleansers and life giving tonic on earth. 25c at McPherson's Drug Store.

## A HEALTHY OLD AGE OFTEN THE BEST PART OF LIFE

Help for Women Passing Through Change of Life

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Nervous exhaustion invites disease. This statement is the positive truth. "When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up as once I did."

Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headaches with which I had suffered for months before taking the Compound. I feel that if it had not been for this great medicine for women that I should not have been alive today. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience is at their service, free of cost.

## HEARST

CONFERS WITH LABOR LEADERS AND POLITICIANS SIT UP.

Construct It to Mean That He Is Preparing to Strengthen His Hold On Them.

Washington, June 21.—Labor and the next national campaign was the subject of a conference today between Representative William R. Hearst and the executive council of the American Federation of Labor. Incidentally President Gompers of the federation came out stronger than ever for united political action by labor unions in an address at the convention of the International Steel and Copper Plate Printers' union.

The conference between Hearst and the labor leaders is viewed with much interest by the politicians, who can see in it only the plan of the former to strengthen his hold as a figure to be considered in national politics through a positive alliance with the organized workmen of the country.

When questioned about the conference Mr. Hearst denied that any political alliances had been made so far as he knew or that his own political future had anything to do with it.

### GROCERY DAMAGED

Firemen Quickly Get Stubborn Flames Under Control.

The Bolin grocery store at Tennessee and Sixteenth streets was damaged by fire last evening about 8:15 o'clock. The grocery is a two-story frame, the proprietor residing on the second floor. Soon after closing last night Mr. Bolin smelled smoke, and on investigating found the rear of the first floor in flames. The firemen did quick work and soon had the flames under control. The damage is estimated at between \$800 and \$1,000, partly covered by insurance. The stock and household effects were damaged a great deal by water.

### Outwits the Surgeon.

A complication of female troubles, with catarrh of the stomach and bowels, had reduced Mrs. Thomas S. Guaranteed cure for torpid liver, kidney disease, biliousness, jaundice, chills and fever, general debility, nervousness and blood poisoning. Best tonic made. Price 50c at McPherson's Drug Store. ## TETANUS CURE

LOUISVILLE INTERNE USES ONLY CARBOLIC ACID.

Well Developed Case Brought to Hospital and Treated With Evident Success.

Louisville, June 22.—One of the most remarkable cases of cure, in tetanus is at the city hospital, where Israel Smith, colored, is recovering from a severe case of lockjaw. He was bitten by a rabid dog, over four weeks ago, and a week later, he developed all the symptoms of tetanus. His jaws became locked, and he was given up as hopeless. He was sent to the city hospital with the disease in an advanced stage, and he had already begun to show the symptoms of the end. Dr. Taylor, one of the internes, used carbolic acid in treating him.

"I was almost the only one here who believed in the cure," said Dr. Taylor, yesterday.

"He had all the symptoms of the disease, and was in a serious condition, as the disease had had several weeks time to develop. I immediately began to give him injections under his skin every few hours. At first, I saw no signs of improvement, and all the other doctors said it was a hopeless case, and some of them laughed at my efforts assuring me that I was working on a hopeless case. Soon the man began to show signs of improvement, and now, he is out of danger, I think."
